CSS (Part 2)
Practice Solutions

Ans A (all 5 parts)

Create a separate CSS file and link it with your html code.

In the CSS file write the following code :

```css
* {
text-align: center;

}

#mainTopic {
color: blue;

}

h1,
h3,
h5 {
font-family: Georgia;

}

.content {
background-color: cornflowerblue;
color: white;

}

div button {
```

```css
background-color: purple;

color: azure;

}
```

Ans B (part 6 to 9)

```css
button:hover {
background-color: yellow;
color: blue;

}

p:nth-of-type(2n+1) {
color: yellow;

}

h1::first-letter {
color: red;

}

#yes:checked + label {
color: darkgreen;

}
```

Ans 10
The correct order is :

a. #mainContent
b. div .main
c. .main
d. h1
